

Wild & Free Applique with Pat Sloan

Supply List

What fabric should I bring?
I'm really hoping that you bring fabric you love!

I'd like you to bring a large selection of fabric to choose from, don't be frugal here! Get out a BIG laundry basket and fill it up with fabric options. The first thing we'll do in the workshop is a color study, which is really fun! You need a selection of fabrics to play with for this to be as fun as possible. Bring lots...and lots of fabric to pick from. Did I mention bring lots of fabric yet??? If you like bright fabric... bring it, if you like pastels...bring it...purple? Green? Bring it!

CHECK MY Workshop page for photos!

Go to <http://goo.gl/5QfSRV> Look at all the different ways you can make this quilt... you don't have to make it just like mine!

What Applique technique can I use?

This workshop does require a sewing machine for sewing the background of your quilt.

Most of the class time is spent working on background selection and fabric choices for the applique. You won't do much applique in class. The focus is to build the top.

Fabric Supplies

I want you to make a quilt all your own. Think medium and large prints, think toile, stripes, plaids, dots, etc... Bring what you LOVE as I want you to make a quilt that is YOU not me!

Bring fabric that is NOT cream or beige or tan.

Bring **MORE choices** than listed, you will be much happier if you do.

- Background Fabric
- Bring a wide selection of prints to use in the backgrounds. This is where a laundry basket or a box works great.
- Bring colors you love and look at my website to see the backgrounds other have done.
- Stripes, florals, themed fabric... try to avoid the regular backgrounds and go for other fabrics you love.
- FQ is fine for some. But you also need some fabric that is width of fabric, but don't worry, I'll show you how to make it work!
- Since some of you want a 'number' of pieces, please bring at least 20 different fabric choices, but more is WAY better (see the backgrounds on my blog)
- Bring a selection of accent fabrics. For strips and spacers. Bring as much selection as you can.
- Appliqué Fabric
- FQs to 1/2 yd pieces for flowers, leaves, baskets, beeskep..etc. Bring as much as you can. You will use these to audition.

The Rest

- Sewing machine remember your foot pedal :)
- Scissors for paper and fabric
- rotary cutter, ruler and mat, regular sewing kit.
